

VINAY SHARMA

B.Tech CSE (AI) | Data Science & Analytics Enthusiast Narnaul, Haryana | +91 8168153846 | sharmavinay009874@gmail.com LinkedIn: <https://www.linkedin.com/in/vinay-sharma-2679a6270/>

PROFESSIONAL SUMMARY

Detail-oriented and analytical B.Tech student specializing in artificial intelligence with strong foundations in data science, data analytics, and business intelligence. Proficient in Python, SQL, and data visualization tools with hands-on experience in data cleaning, exploratory data analysis (EDA), and structured problem-solving. Passionate about transforming raw data into actionable insights to support data-driven decision-making.

TECHNICAL SKILLS

Programming Languages: Python, SQL, C, C++

Data Analysis: Pandas, NumPy, Data Cleaning, Exploratory Data Analysis (EDA)

Data Visualization: Matplotlib, Power BI (Basic), Tableau (Basic), Excel

Tools & Platforms: GitHub, VS Code

Core Concepts: Statistics (Basic), Business Analytics, Problem Solving, Basic Machine Learning

PROJECTS

Sales Data Analysis Project

Technologies: Python, Pandas, Matplotlib, SQL - Performed data cleaning and preprocessing on a structured sales dataset. - Conducted Exploratory Data Analysis (EDA) to identify trends and revenue patterns. - Created visual reports to analyze monthly performance and customer behavior. - Generated business insights to improve sales strategy and decision-making.

Personal Portfolio Website

Technologies: HTML, Tailwind CSS, JavaScript - Designed and developed a responsive portfolio website showcasing projects and skills. - Implemented structured layout, smooth navigation, and a resume download feature. - Focused on clean UI and optimized user experience.

SharmaMart – E-Commerce Web Application

Technologies: HTML, Tailwind CSS, JavaScript - Developed responsive e-commerce interface with product listing and filtering features. - Implemented search functionality and structured product data handling. - Designed user-friendly interface for improved engagement.

EXPERIENCE

Data Analytics & Frontend Intern

MantiQ Infotech LLP | July 2024 - Completed training in front-end development and applied analytical thinking in real-world tasks. - Worked on structured problem-solving assignments and logical implementation. - Demonstrated consistency, discipline, and strong learning ability.

EDUCATION

Bachelor of Technology in Artificial Intelligence

Arya College of Engineering, Jaipur

Sep 2023 – Sep 2027
